Grand Hustle Pimp, hey, what's happenin' shorty?
Me being a true player and all
I mean you know as a stand up guy you know
I really hate to say I told you so, man I told you so

Back when we said we were goin to run this shit man
When we said Pimp Squad Click, Grand Hustle was the
business
When we said their was a whole 'nother side of Atlanta
A 'nother bunch of motherfuckers in the trap, y'all didnt
know

Man, I told you so
They thought a pimp wasn't s'posed to blow
Because I was rappin' about moving O's and blow
Pimp I told you so

They thought that Outkast closed the door
Ludacris came in and sold his 4? Man, I told you so
The Mac, C-Rod, Kuntry and Dro
And AK had the coldest flow, nigga, I told you so

I said the future was right up under your nose
You thought the south wouldn't explode no more
Remember, I told you so

Way back when Kriss-Kross was hollering, "Jump", on
ya tube
They was still gettin' jumped at school, we used to tote
them tools
Don't get me wrong I'll give respect to them dudes
But approach us wrong and we'll smoke them fools

Ain't no joke it's the truth, fuck a hater, let 'em do what
it do
I'm busy now, but I'll be through in a few and then I'm
coming for you
So keep shit talking like it's something to do
I'll spend a 100 grand get a killer something to do

I've been hustlin' since 92' when I heard UGK
Hollering "Pocket Full of Stones", I was on my way

Had a history in the yay, before I started to trap
At 13, let me take you back farther than that

When my uncles was baggin' blocks, used to count the
stacks

I was only 8, my grand-daddy can vouch for that
And my pops had a lot of work, a lot of folk he got 'em
work
And ran numbers, said if he ain't wanna, he ain't gotta
work

Why I sold rocks? I guess, I got from pops
My uncles [Incomprehensible] a chip off the old block
The nigga you hear now the same one from off the old
block
Who used to stand on Front St. and get off the old
block

Man, I told you so
They thought a pimp wasn't s'posed to blow
Because I was rappin' about moving O's and blow
Pimp I told you so

They thought that Outkast closed the door
Ludacris came in and sold his 4? Man, I told you so
The Mac, C-Rod, Kuntry and Dro
And AK had the coldest flow, nigga, I told you so

I said the future was right up under your nose
You thought the south wouldn't explode no more
Remember, I told you so

I remember the PSC, Killer Mike, David Banner
And me and YoungBloodz, ran through Atlanta with
heat
When even Atlanta was sleep, nigga, back before you
heard of me
I was middle man into serving keys when KC was
serving 3

I'm on top 'cause I deserved to be
So simmer down, calm your nerves at least
Speak your words with peace
Before you lay out on the curb deceased

Think about it, it's absurd to beef, I took my songs to
street
He told me dope boy was the bomb in the street
Since then my name rang like alarms in the street
Who knew how long it would be?

If only L.A. knew how wrong he could be
I told you ain't nobody stronger than me

Man, I told you so
They thought a pimp wasn't s'posed to blow
Because I was rappin' about moving O's and blow
Pimp I told you so

They thought that Outkast closed the door
Ludacris came in and sold his 4? Man, I told you so
The Mac, C-Rod, Kuntry and Dro
And AK had the coldest flow, nigga, I told you so

I said the future was right up under your nose
You thought the south wouldn't explode no more
Remember, I told you so

This southern rap shit of the day is something I helped
design
Puerto Rico of the mix show I'll let you know who the
next in line
The Snowman, Paul Wall, the Thug [Incomprehensible]
Alot of other niggaz shouldn't of even been signed

That's a opinion of mine 'cause these niggaz be
neglecting the grind
Ain't waiting on nobody to let me shine, I'ma go get me
mine
And then they wonder why they checks behind
'Cause TIP was 20k? back in the day, need me to press
rewind

What be on these niggaz mind? Man, don't get me to
lyin'
I seen ya kind, dopeboy and that ain't even ya kind
Ain't never sold a gram of crack and ain't no need of ya
tryin'
Back in the trap, pimp I don't see him survivin'

Man, I told you so
They thought a pimp wasn't s'posed to blow
Because I was rappin' about moving O's and blow
Pimp, I told you so

They thought that Outkast closed the door
Ludacris came in and sold his 4? Man, I told you so
The Mac, C-Rod, Kuntry and Dro
And AK had the coldest flow, nigga, I told you so

I said the future was right up under your nose
You thought the south wouldn't explode no more

Remember, I told you so
