Aye... aye... aye... aye... aye...
What you know about that?
What you know about that?
What you know about that?
Aye...
Don't you know I got
Key by the three when I chirp shawty chirp back
Louis nap sack
Where I holding all the work at

What you know about that?
What you know about that?
What you know about that?
I know all about that

Loaded 44s on the low where the cheese at
Fresh off the jet to the Jects where the G's at

What you know about that?
What you know about that?
Hey what you know about that?
Hey I know all about that

See me in ya city sitting pretty know I'm shining dawg
Riding with a couple Latin brawds and a china doll
And you know how we ball
Aye...
Riding in shiny cars
Aye...
Walk in designer malls
Aye...
Buy everything we saw
You know about me dogg
Don't talk about me dogg
And if you doubt me dogg
You better out me dogg
I'm throwed off slightly bro
Don't wanna fight me bro
I'm fast as lightning bro ya better use ya Nike's bro
Know you don't like me cause
Yo bitch most likely does
She see me on them dubs

In front of every club
I be on dro I'm buzzed
Give every ho a hug
Niggaz don't show me mugs
Cause you don't know me cause

Aye...
Don't you know I got
Key by the three when I chirp shawty chirp back
Louis nap sack
Where I holding all the work at

What you know about that?
What you know about that?
What you know about that?
I know all about that

Loaded 44s on the low where the cheese at
Fresh off the jet to the Jects where the G's at

What you know about that?
What you know about that?
Hey what you know about that?
Hey I know all about that

Candy on the '64
Leather guts and fish bowl
50 on the pinky ring just to make my fist glow
Ya bitches get low
Because I get dough
So what? I'm rich ho
I still pull a-kick-do' (kick ya door down)
What you talking shit fo'?
Gotta run and hit fo'?
Got you a yelling and I thought you put out a gun hit fo
But you's a scary dude
Believed by very few
Just keep it very cool
Or we will bury you
See all that attitude's, unnecessary dude
You never carry tools not even square, he cube
You got these people fooled, who see you on the tube
Whatever try the crew, they'll see you on the news

Aye...
Don't you know I got
Key by the three when I chirp shawty chirp back
Louis nap sack
Where I holding all the work at

What you know about that?

What you know about that?
What you know about that?
I know all about that

Loaded 44s on the low where the cheese at
Fresh off the jet to the Jects where the G's at

What you know about that?
What you know about that?
Hey what you know about that?
Hey I know all about that

Fresh off the jet to the block
Burn a rubber with the top popped
My partner bustin' shots, I tell em' stop, he'll make the
block hot
Ya label got got
Cause you are not hot
I got the top spot
And it will not stop
A video or not that will bust it to the glock stop
Drag ya out that Bentley Coupe and take it to the chop
shop
Partner, we got ya'll
If it may pop off
I'll answer the question "Will I get ya block knocked
off?"
And what it is bro
Look I will kill bro
I'm in your hood, if you a gangsta what you hid for?
Somebody better get bro for he get sent for
You say you wanna squash it what you still talking shit
for?

Aye...
Don't you know I got
Key by the three when I chirp shawty chirp back
Louis nap sack
Where I holding all the work at

What you know about that?

What you know about that?
I know all about that

Loaded 44s on the low where the cheese at
