[Verse 3]From summerhill to the hills up in hollywood  
A house full getting to it you know how we do it  
where we smoke great, and we drink good Then we  
ball hard, just like g's should.

buy what we want, drive what we want

g4 up, up and away we go we fly where we want

Haters smile like they like it when they really don't. wish  
they could just wish me away thats what they really  
want.

I really hate his ass, I don't like him either

We'll do a song together maybe then we could beat  
him.

Somehow he must be stopped, something must be  
done

If we can't knock him off lets just try him when he get  
caught with guns.

Then he'll be really done, and we really won

Any more ideas? Suggestions anyone?

How about we stay up all night? on the blog site. spread  
vicious lies and nasty rumors we could all write.

But thats all right.

let the nerds hate.

Cus in my face though, the words get ate. And hatins  
hard work...

when i just bounce back

This god work tell all the haters i'm back

[Chours]what up whats happening, all you haters can

stopping  
so what up whats happening all you haters should get  
at me cus i hear ya and im watching but im serious  
haters so all i got to say is whatuuuuuuuuup
