There you go, there you go, there you go, there you go,
Go, go,
Mario's flaming whiskers Ill out now.

There you go, there you go, there you go, there you go,
Go, go,
Mario's flaming whiskers Ill out now.

There you go, there you go, there you go, there you go,
Go, go,
Mario's flaming whiskers Ill out now.

Drop, kick, heavenly
Drop, kick, heavenly
Drop, kick, heavenly
Drop.

There you go, there you go, there you go, there you go,
Go, go,
Mario's flaming whiskers Ill out now.

There you go, there you go, there you go, there you go,
Go, go,
Mario's flaming whiskers Ill out now.

Control, control, control, control.

Drop, kick, heavenly
Drop, kick, heavenly
Drop, kick, heavenly.

Come on, come on.
Come on, come on.
Come on, come on.
