Youâ€™ve been selected, prepare yourself,
Youâ€™ve been selected, prepare yourself,
Iâ€™m not gonna sew her animal,
Iâ€™m not gonna sew her animal,
All aboard your new home in the night sky
All aboard your new home in the night sky
All aboard your new home in the night sky
All aboard your new home in the night sky
All aboard your new home, faraway.

Youâ€™ve been selected, prepare yourself,
Youâ€™ve been selected, prepare yourself,
Iâ€™m not gonna sew her animal,
Iâ€™m not gonna sew her animal,
All aboard your new home in the night sky
All aboard your new home in the night sky
All aboard your new home in the night sky
All aboard your new home in the night sky
All aboard your new home, faraway.

So, so, I pronounce you, I pronounce you, I pronounce
you
So, so.
