Only when I dream but there's no way out  
You learn to talk, you learn to shout  
Focus on depth that was never there  
Eliminate what you can't repair

Nothing ever happened to me  
Nothing ever happened to me  
Nothing ever happened to me  
Life just passing, flash right thru me

See thru the wind to awakened stream  
Adjust yr eyes to the state of things  
Focus on depths that was never there  
Nothing's easy nothing's fair

Nothing ever happened to me  
Nothing ever happened to me  
Nothing ever happened to me  
Life just passing, flash right thru me

I never, saw it coming  
Waiting for something, for nothing  
I never, saw it coming  
Waiting for something, for nothing
