Mrs. Hemmings was OAO,
Pretty soon we were all OAO,
We were captured by victorian vampires.
With elaborate designs
With elaborate designs

This is the land of OAO
This is the land of OAO
This is the land of OAO
This is the land of OAO

Left
We are a romanian sound collage
Searching for the ghost of past sinners
But this futile coffin will not
Let us gain entry
Into the immortal soul
Of the redneck!
You are trapped in your basement
For a war of 16 years
To combat prevention
And in combat with yourself
We are in combat with these cultural vampires
We were trapped in the basement
We were trapped in the basement of the teenage
halfway hell!

Right
Old black bandit
I can't stand it
I'm your planet
Old black bandit
I can't stand it
I'm your planet

I was saved by old times
I was saved by old times
I was saved by old times
I was saved by old times
I was saved by old times
I was saved by old times

I was saved by old times
I was saved by old times
