Sunny sunny sunny sunny sunny sunnyside
Sunny sunny sunny sunny sunny sunnyside
Gimme gimme gimme gimme gimme, big surprise
High in the sky the sunny skies, down on the ground
the sunnyside

Feed me the pompom tree

Sicky sicky sicky sicky sicky raven pet (?)
Sicky sicky sicky sicky sicky raven pet (?)
Sticky sicky sticky sicky sticky (?)
High in the sky flies sticky bird, now he will smash this
wonder world

Find that he spoke of mine (?)

Sunny sunny sunny sunny sunny sunnyside
Sunny sunny sunny sunny sunny sunnyside
Gimme gimme gimme gimme gimme, big surprise
High in the sky the sunny skies, down on the ground
the sunnyside
