Beep Beep Beep
It's the great car tomb on the highway
Beep Beep Beep
There's a great balloon in the skyway
Beep Beep Beep

This is no way for my day to end up:
In the car with Mrs. Lane
Out of my pocket comes the means of my escape
To a better place that's near
Start the propeller and look down between your feet
Say goodbye to Mrs. Lane
Beep Beep Beep
It's the great car tomb on the highway
Beep Beep Beep
There's a great balloon in the skyway
Beep Beep Beep
