

T.I. Feat. Nelly "Get Loose"

Visit "[Get Loose](#)" on MotoLyrics.com

Aye, I wanna see you dance like them
Girls in that Tip Drill video
Aye, let me see you get loose
Get loose, get loose, get loose
Aye, shawty, you can get loose
Get loose, get loose

Aye shawty, bust it open for me, let me see you get
loose
If you really wanna show me that you love me, get
loose
No Grey Goose, if you don't get loose
Get up out the coupe if you won't get loose

Bend it over, reach for yo toe, get loose
Hold on to the pole, drop it low and get loose
No x-o if you don't wanna get loose
No more dro unless you gonna get loose

Me and my partnas in the club and we chillin' to the
max
Poppin' bottles, blowin' money, we ain't learn how to act
All in the V.I.P. spendin' four or five stacks
You can tell it's T.I.P. from how I bend my hat

Send the waitress to the bar but she comin' right back
Bet a shot of x-o'll get you on the right track
You got yo girl with you, better hold her hand, I'm a
mack on attack
Turn yo head and she bound to get snatched

Give the dick to her once, get her hooked like crack
Takin' cum in the face, yea I like it like that
Holdin' on to her waist while I hit it from the back
If she come wit Pussy Popper she ain't never comin'
back

Rough sex, talkin' dirty, yea she into all that
Gotta movie that'll prove that what I'm sayin' is all fact
Bra and panties all black and some real tall stacks
Suckin' titties, eatin' cat, shot her off the meat rack

Aye shawty, bust it open for me, let me see you get
loose
If you really wanna show me that you love me, get
loose
No Grey Goose, if you don't get loose
Get up out the coupe if you won't get loose

Bend it over, reach for yo toe, get loose
Hold on to the pole, drop it low and get loose
No x-o if you don't wanna get loose
No more dro unless you gonna get loose

Let me see you drop it down, get that eagle on girl
Ain't no fuckin' way I'm leavin' here alone girl
Money ain't a thang to the uncut kind
Baby, I can make a mill' if I rap or if I sing

Done tryina ball ma, I own a damn team
Even with a noose nigga still can't hang
Let me tell you who I'm is, lunatic mayne, straight up
out the heartland
Nine on my right, ten more karats on my other hand

In different colors mayne, worth a couple hundred
grand
Damn mama, how you do that there?
How yo waist stay still but you move that there
Ain't got a clue right there

Seen a lotta ass poppin', but that's new right there
You invited to the house ma, you and yo crew right
there
Check it, okay let's have some fun
I got four G's and five five G's in one

Aye shawty, bust it open for me, let me see you get
loose
If you really wanna show me that you love me, get
loose
No Grey Goose, if you don't get loose
Get up out the coupe if you won't get loose

Bend it over, reach for yo toe, get loose
Hold on to the pole, drop it low and get loose
No x-o if you don't wanna get loose
No more dro unless you gonna get loose

You ready to get loose, shawty, better be
Sittin' on them leather seats
If not, pat yo feet on the concrete merely
Freak by choice, not force, I would never be

Charged with a rape, if she say no, I'ma let her be

Why should I let that worry me?

Too many bitches cherish me

Pimp til I die, be a playa til they bury me

Renegade, I'ma keep it pimpin', I ain't finna play

Anyway, I can hit the baddest bitches any day

Slept with the best, I ain't gotta flex

Got yo girl stretched out, pullin' up her dress

Checkin' out her spread and I am impressed

G-strings right in the middle of them wet

Her girlfriends with her and all of them next

I passed them a bottle, gave all of them X

Head Pussy Popper, so all them expect

The best sex, and that's what all of them get

Aye shawty, bust it open for me, let me see you get
loose

If you really wanna show me that you love me, get
loose

No Grey Goose, if you don't get loose

Get up out the coupe if you won't get loose

Bend it over, reach for yo toe, get loose

Hold on to the pole, drop it low and get loose

No x-o if you don't wanna get loose

No more dro unless you gonna get loose

Ladies and gentleman
