Stranger, please  
Do you recognize me?  
Am I the same as I used to be?  
Stranger, please  
Recognize me  
It's me  
I'm the same, I'm the same  
But I'm not  
Oh I'm not

Stranger, please  
I feel like I'm walking on glass  
But the thing is  
I can't feel at all  
Stranger, please  
Make me feel like I used to  
'Cuz I wanna be the same  
I wanna be the same

But I'm not I'm not I'm not I'm not I'm not  
Oh I'm not I'm not I'm not I'm not I'm not

Oh so pass me the Novocain  
Just pass me the Novocain  
Cuz I'm not

Stranger, please  
Remember all those times we had?  
I thought we drew our lives on paper  
With a plan not made to fail  
Stranger, please  
I know I'm not Picasso  
But I thought we were  
I thought we were a masterpiece

But we're not, we're not, we're not, we're not, we're not  
'Cuz I'm not, I'm not, I'm not, I'm not  
Oh I'm not, I'm not, I'm not, I'm not

Oh no I'm not  
Oh no I'm not

Just pass me the Novocain  
So I can't feel the pain
