"Three Wishes"

Visit "[Three Wishes](#)" on [MotoLyrics.com](#)

Maybe I'm the only one
Who feels this way
But when you look at me
I look at you
And my heart delays

If I had three wishes
One would be to kiss your lips
The other two would be
To repeat

Do you remember when we fell in love?
Keep it a secret or she'll pull out the gloves
Do you remember when we fell in love?
Or was that, was that just me?

The reflection in the mirror isn't me
It's who I wanna be
I feel stuck
I am
I'm not
I am
You don't even know
That this song is for you

(Prechorus)
(Chorus)

Come on
Let's give it a shot
I just wanna see
If it's real or not
And if what I feel
Is what I need
Or is it just me?
