Hey guys, what'ya wanna do  
Are you gonna waste the night your way  
I wanna spend some time with yoy  
I wanna spend some time with my friends

I know one bloke, he has a cab  
He is always out of lunch  
He knows one chick, she always ready  
To play the game with rock'n'roll

Don't you worry about money  
Don't you worry about your life  
He know one mate he has a cab  
He's always out of lunch

He was born to be a taxi driver  
He was born as nasty man  
He was born to be a taxi driver  
Motherfucker, the bit of a kev

He knows all of the city corners  
He knows all of the city whores  
He has an old radio in his cabby  
Some people call him The King Of Noise

Don't you worry about money  
Don't you worry about your life  
He know one mate he has a cab  
He's always out of lunch

He was born to be a taxi driver  
He was born as nasty man  
He was born to be a taxi driver  
Motherfucker, the bit of a kev

Hey guys, what'ya wanna do  
Are you gonna waste the night your way  
I wanna spend some time with yoy  
I wanna spend some time with my friends

Don't you worry about money  
Don't you worry about your life

He know one mate he has a cab  
He's always out of lunch

He was born to be a taxi driver  
He was born as nasty man  
He was born to be a taxi driver  
Motherfucker, the bit of a kev
