Wind in my sails, I lived for days  
No water, no food, it was good  
I didn't mind, no, nowhere to be  
Nothing to see except me

Only fear  
Can make you feel lonely out here  
You learn to accept  
Whatever you can get

When there is no law  
You've done nothing wrong  
You can't take too long  
Making up songs

Only fear  
Can make you feel lonely out here  
You learn to accept  
Whatever you can get  
Whatever you can get

Only fear  
Can make you feel lonely out here  
You learn to accept  
Whatever you can get  
Whatever you can get
