People think I'm crazy, I'm always on the run
That's the way I like it baby, I'm your seventh son
I don't want no promises, I'll take it to the end
See love is not forever, I know because I've been
In the wind

People think I'm crazy, I'm always on the run
If you take me halfway baby, I'm better off alone
I will never turn around, I'll take it to the end
The wind it is forever, I know because I've been
In the wind

Nothing's gonna stop me, In the wind
No one's gonna catch me, In the wind
I've got everything I need, In the wind
No one's gonna catch me

If you want to ride with me, Close your eyes and dream
We can ride forever baby, the wind it calls your name
We will never turn around, we'll take it to the end
The wind it is forever, I know because I've been
In the wind

Nothing's gonna stop us, In the wind
No one's gonna catch us, In the wind
We got everything we need, In the wind
No one's gonna catch us

Take hold of my shoulder
Let me fell you in my arms
We can ride this wind forever
We can mend our broken hearts
In the wind

Nothing's gonna stop me, In the wind
No one's gonna catch me, In the wind
I've got everything I need, In the wind
No one's gonna catch me
