(Feat. Jodie)

{Intro}

Oh, oh 'confessions to, I do, I, I do,
Oh, oh crazy got confessions too,
Oh, oh 'confessions to, I do, I, I too,
Oh, oh crazy has your dream come true.

{Verse 1}

Sitting here at home
Thinking 'bout you all alone
Wondering where are love went wrong
Got a confession to make...
Since you made me happier
Now all I can do is hurt
When you left you took my heart
Got a confession to make...

{Chorus} x2

I'm heartbroken (without your love)
Heartbroken (yes, I've had enough)
Heartbroken
I don't know what to say
I've never felt this way

Oh, oh 'confessions to, I do, I, I do,
Oh, oh crazy got confessions too,
Oh, oh 'confessions to, I do, I, I too,
Oh, oh crazy has your dream come true.

{Chorus} x2

I'm heartbroken (without your love)
Heartbroken (yes, I've had enough)
Heartbroken
I don't know what to say
I've never felt this way

{Verse 2}

Have something so true
I realised I meant nothing to you
I guess you thought I was your fool
Got a confession to make...

Now I realise the truth
I don't want anything to do with you
It's just the way I was attracted to you
Got a confession to make...

{Chorus} x2
I'm heartbroken (without your love)
Heartbroken (yes, I've had enough)
Heartbroken
I don't know what to say
I've never felt this way

Oh, oh 'confessions to, I do, I, I do,
Oh, oh crazy got confessions too,
Oh, oh 'confessions to, I do, I, I too,
Oh, oh crazy has your dream come true.

{Chorus} x2
I'm heartbroken (without your love)
Heartbroken (yes, I've had enough)
Heartbroken
I don't know what to say
I've never felt this way
