[T2]

I rip threw tracks, collect my few stacks
when I freestyle they be sayin maaan who dat?
dogg it's a rap, the young boys back
it's like Lil'Flip I'm bout to do that
got 'em crunk already, the chain so heavy
I'm hot like fire, but flow so steady
to my partnas in the south wit golds in they mouth
I'm a young G, balla you know what I'm about
pockets on swoll, what up to Big Moe
he got the whole world sippin on that purple stuff
I'm too young to put it in my cup
maan I wanna lean but I gotta grow up
Northside, southside let me see you throw it up
put your hood in the sky, let em know you get crunk
to the ballas wit the cars, wit the sound in they trunk
when you pass through the street, make sure ya make
it bump uh

[chrous x2]

I got that, I got that, i got that (yeah!!)
I got that, I got that
I got that, yessir
and its mine ooh mine

[T2]

I'm throwed, in other words the young boys cold
back on the road, arm and neck froze
got my own clothes, got my own flows
post the street flava, wit D solo

[T2]

I'm so throwed off, I'm hot like sauce
I'm just like the sun I can't cool off
bounce to the track, you ready?holla back
i was up in Galveston, in a Green Cadillac
system on blast, music screwed up
in the year 2G, I'm a get Too'ed up
one on my stomach, two on my chest
three on my back, and one on my neck
just like my pa he taught me how to ball
taught me how to walk but first I had to crawl
just like the game I'm tryna make some change
hold down my name, I'm a do my thing
I got ice in my ring, ice in my chain
ice in my ears, my whole body bling
the game won't stop, we headed for the top
T2 yessir, H-Town, Short Stop

[Chorus x2: till end]

I got that, I got that, i got that (yeauh!!)

I got that, yessir
and its mine ooh mine
