From the second I heard you steppin' in
I lost my head it's not like me to stare
Try and play it cool, you seen me watching you
I need to know, are you too good to be true?

Did you come here alone boy?
(are you here playing all by yourself?)
Do you have a girl at home boy?
(he sounds so good I gotta have him for myself)

I'm gunna get to your heart
I'll take a shot in the dark
I never miss the mark
Your gunna be mine
I'm gunna get to your heart
I'll take a shot in the dark
I never miss the mark
Your gunna be mine, All mine.

Ooooh, never one to play
Never one to try
So I say it straight
Can't get you off my mind
And every night
I'm out on the floor
Will you leave me burning and yurning for more?

I'm available
If your willing I'm more than able
My cards are on the table
So why play around?
Let me know and get down

I'm gunna get to your heart...
I'll take a shot in the dart
I never miss the mark
Your gunna be mine
I'm gunna get to heart
I'll take a shot in the dark
I never miss the mark
You gunna be mine, all mine.

I'm gunna get to you hurt x2
