There must be ninety-nine ways  
Of losin the blues  
That I got from lovin you.  
Oh ninety-nine ways  
But none of them do.

There must be ninety-nine ways  
To do without you  
But I can't find one tonight.  
I'm feelin so bad  
And nothin is right.

Oh baby I'm missin  
Your huggin and your kissin  
I'm lonely as can be.  
Well I've tried all the others  
But none of the others  
Can do what you're doin to me.

There must be ninety-nine ways  
Of losin the blues  
That I got from lovin you.  
Mmm ninety-nine ways  
But I still love you.

Instrumental

There must be ninety-nine ways  
Of losin the blues  
That I got from lovin you.  
Mmm ninety-nine ways  
But I still love you.  
Yes I do,  
Yes ninety-nine ways  
But I still love you
