Nemuri no mori kara tabidachi no kage
Setsuna no Kiss de ame... ame
Haruka na hikari ga futari wo terasu
Kajitsu no basho de kaze... kaze ga fuita

Kokoro hodokete yuku itazura na toki wo koete
Yagate hoshi-tachi ga mezameta

Stay with me kioku no naka Melody
Kokoro ni todoke tai akashi katari kakete
Stay with you mirai subete ageyou
Togi suma sareta jidai ai no chikara wo shinjite
Boku no te wo hanasa naide

Mayoi no kokoro ni hi wo tsuketa no wa
Chikai no basho de tashikameta kodou

Omoi afureteyuku kagayaki no niji no moto de
Umarekawareru to kiduita

Stay with me kasanari au Harmony
Kanjite narabe tai ai ni fureta kimi ga megami
Stay with you hikari dashiteku shinkirou
Sora no kanata sagasou ai no kizuna wo shinjite
Boku no koto wasure naide

Aisubeki boku-tachi ga ite
Towa no inori yori fukaku sotto
Negawakuba owari naki sekai
Ai no kotoba... kimi wo hanasa nai

Stay with me kioku no naka Melody
Kokoro ni todoke tai akashi katari kakete
Stay with you mirai subete ageyou
Togi suma sareta jidai ai no chikara wo shinjite
Boku no te wo hanasa naide
