Garashi harii no hey
Itsumo no youni
Kuru hazu mo nai
Kimi wo matsu yo

Honto ni owattanda ne
Hizashi ni me wo hosomete mo
Kimi wa mou inai
Machi no noizu ga tsukisasu dake

Ikanai de, nande, ienai yo
Kimi wo matteru hito wa sousa
Mou boku janai
Wasuretai, dakedo, wasurenai
Kimi ga kureta ano egao
Uso janai kara

(Gomen ne...) toki migano koshita kotoba wa
Toge no youni mune wo sashita mama

Waraeru yone honki de
Nakeru hodo ni aeshiteta
Titogoto dekieru
Sonna aisaeni kumenai no sa

Ikanaide, nande, ienai yo
Mou boku ni kimi wo tsunagu
Sube mo nai kara
Wasuretai, dakedo, wasurenai
Kono itami mo kono keishiki mo
Aishita kimi no

Honto ni owattanda ne
Hizashi ni me wo hosometemo
Kimi wa mou inai
Machi no noizu ga tsukisasu dake
