Hirahira to mauchiru fuyu no hana  
Matsuge de toketeyuku Stay  
Kimi no koe yume dato wakattete  
Futo me ga sametanda hitori

Mado no soto wa matataku machi  
Mou sonna goro KURISUMASU ga kuru  
Gozen rei-ji enryo gachi no KURAKUSHON  
"Oyasumi" sasayaku yoru modore tara

Shizuka ni tsumoru yuki wo matteru  
Miageta yozora wa kimi ni tsuduku  
Hoshi ga nagareta kiseki hitotsu waketeyo  
I'm standing under wonder starry sky tonight

"Hitori yori sabishii toki ga aru"  
Tsubuyaita yokogao Good bye  
Kakko toka ki ni sezu saken dara  
Kitto futari de ita koko ni

Hieta FENSU senaka tsukete  
Koibito-tachi ya ekimae no TSURII bonyari mita  
Moshi mo ima mo hitori nara  
"Gomen ne" boku karasou ieru kara

Ano hi mo futteta yuki wo matteru  
Deatta kono basho onaji iro ni  
Tenki yohou wa atarutte shinjite  
I'm longing for you like a star, silent night tonight

Shizuka ni tsumoru yuki wo matteru  
Miageta yozora wa kimi ni tsuduku  
Hoshi ga nagareta kiseki hitotsu wakete yo  
I'm standing under wonder starry sky tonight  
Tada ichido dake negai kiite  
I'm standing under wonder starry sky tonight
