He sat there so idle just sat on the ground I watched as
he mumbled but I
Heard no sound I dared not go closer I dared not at
first but somehow I got
There

My son said the father I can not explain The reason I
left you has caused
Me much pain I dared not come closer I dared not at
first but somehow I got
Here

Sometimes I hear them in my mind Dare I join them
now
It's A mended rhyme at a preset time Join them now or
lose them forever A
Silent mime The final chime Just join them now

He did not lift his eyes just sat there and cried Now I
know the words I
Heard him say I joined him on my knees and then even
I cried He wiped away
My tears that's when I heard him say...
