From nobody to somebody,
From nowhere to somewhere.

Hi how you doing,
I remember you from way back when,
Funny how some things don't change.
It's the same old bee,
Just a different sting.
I've changed I've gone from nobody to somebody.

Chorus

Hi how've you been,
You remember me from way back when,
Funny how one thing has changed,
It's brand new time I've left behind,
I've changed I've gone from nobody to somebody.

Chorus

Automatic cruise control,
Keeps me on top,
Because if I snooze I'll lose a whole lot,
Then came the day when I had to go away,
Now I'm back in full effect come back and here to stay.

Chorus
