Your guilty
I see you looking at me
Do you wan't to see the after show
And i'm dying to get inside of you
If I only knew where this will go

My head is screaming
Hate, shame
God hope I get out of this alive
I pray god help me get out of this

I'm guilty
I blame the shitload of drinks
That fooled me to think I'd get away
And you're dying
I bet you never thought the line that you bought
Would end this way

My head is screaming hate, shame
God hope I get out of this alive
Lust, crave
God hope I get out of this alive
Fault, blame
God hope I get out of this alive
I pray god help me get out of this

Hate, shame
God hope I get out of this alive
Lust, crave
God hope I get out of this alive
Fault, blame
God hope I get out of this alive
I pray god help me get out of this
