Starting fights that can't be won  
Just one round and you'll be gone  
When it's lost you'll regret it  
Much too hard to forget it  
No one to take pity on

So when you try hard  
To forget the truth  
Look again  
Who followed you?  
Somehow you thought  
Thought that you're hard to lose  
But in the end  
Who followed who?  
Who followed who?

One false step this road is gone  
No one here to prove you wrong  
When it's lost you'll regret it  
Much too hard to forget it  
No one to take pity on

So when you try hard  
To forget the truth  
Look again  
Who followed you?  
Somehow you thought  
Thought that you're hard to lose  
But in the end  
Who followed who?  
Who followed who?

Try  
Hard to forget the truth  
Look again  
Who followed you?  
Somehow you thought  
Thought that you're hard to lose  
But in the end  
Who followed who?  
So when you try hard

To forget the truth  
Look again  
Who followed you?  
Somehow you thought  
Thought that you're hard to lose  
But in the end  
Who followed who?  
Who followed who?  
Who followed who?
