Big Tone:

I got a good feeling about this one

Tae Yang:

Ooh yeaah~ Ooooh

Big Tone:

To all the fly woman across the globe  
(Girl you know you're my connection) uh huh  
(Girl you know you're my connection) uh huh  
(Girl you know you're my connection) right here  
Let's break it down for them.

Tae Yang:

It's true, I got a thang for you  
All of the things you do.  
Got me feeling butterflies  
I know  
You feel the same cause it shows  
Trust me girl, I see the glow  
Every time I look in your eyes

(Bridge)

I never thought it could be (never thought)  
Cause truthfully you should be (ooh yeaah)  
Living deep within my dreams where I would never find  
you  
But you're the real thing baby  
Our chemistry is crazy  
And I'm really feeling this connection inside, yea

(Chorus)

Girl it's real it's my confession  
Heaven sent, you're such a blessing  
I feel  
A love connection  
When I'm with you  
All them girls, they keep me guessing  
Had my picks, you're my selection  
I feel  
A love connection

When I'm with you

When I

See you from day to day

There's so much I want to say

But I try not to come up too strong (come up too strong)

From now, I just say what I feel

Cause this connection is real

This just feels too right to be wrong (ooh yeaah)

I never thought it could be (I never thought)

Cause truthfully you should be (oh you should be)

Living deep within my dreams where I would never find  
you (I shouldn't find you)

But you're the real thing baby (oh you're the real thing)

Our chemistry is crazy

And I'm really feeling this connection inside, (girl it's  
real! )

Girl it's real it's my confession (Hey! )

Heaven sent, you're such a blessing (I feel)

I feel

A love connection

When I'm with you

All them girls, they keep me guessing

Had my picks, you're my selection (whoaaa~)

I feel

A love connection (yeaa)

When I'm with you (whoaaa)

Big Tone & Taeyang:

Okay (I'm feeling the connection)

Lady (I'm feeling the connection)

Baby (I'm feeling the connection)

You got me, feeling the connection

That's right I'm (feeling the connection)

All this time (that I'm investing)

All you got to do is to say yes and

I'll be with you

Big Tone:

I'm been around girl and that's no lie

See my share but no comparing you

Damn you just too fly

The way you lick your lips and just touch my spots

I need you Miss in my life like hip needs a hop

You're a goddess so here's my confession

I been lost till I found you my blessing

You're beautiful, I'm saying more than complexion

My body gets so weak feel that connection

Tae Yang:  
Feel that connection!

Girl it's real it's my confession (yeah)  
Heaven sent, you're such a blessing (you're a blessing  
baby)  
I feel  
A love connection  
When I'm with you  
All them girls, they keep me guessing  
Had my picks, you're my selection  
I feel  
A love connection  
When I'm with you
