I'll be I'll be I'll be there girl  
I'll be I'll be I'll be there girl  
I'll be I'll be I'll be there girl

Please don't say 'This is the last time'  
You're so kind, yet I still I hurt you  
I know I've made you cry everyday  
Been cold, fa-far away, gone  
So I need time, I need time!

When you're tired of waiting, for just only me  
Remember that day, the day we first met  
You were so beautiful beautiful  
Wo-wo-wonderful wonderful  
So I need time, I need you!

Feelings of sorrow and tears, run run run  
To me love is not a rose, it's a gun gun gun  
Even through tears, I'm never letting you go  
I'll be there

You know that...

I'll be there  
Anytime, by your side  
I'll be there, be there  
Joy or sorrow, I'll be there  
Until we close our eyes in death  
I'll be there

To see you fall asleep, I become so happy  
Yet I still fear losing y-you, that you'll le-leave me  
Cuz love is dangerous dangerous  
And it's killing, ki-killing us  
So I need time, I'm becoming nervous!

Behind sadness and tears, we run run run  
To me love is not a rose, it's a gun gun gun  
Even so, I'm never letting you go  
I'll be there

You know that...

I'll be there  
Anytime, by your side  
I'll be there, be there  
Joy or sorrow, I'll be there  
Until we close our eyes in death  
I'll be there

For you my heart will cry  
Over and over again, for you I'm gonna try  
I could die for you, and you know it's true  
You're my love, Ah~

I'll be there  
Anytime, by your side  
I'll be there, be there  
Joy or sorrow, I'll be there  
Until we close our eyes in death  
I'll be there

You were so beautiful beautiful  
Wo-wo-wonderful wonderful  
And it's killing me, you set me free  
You were so beautiful beautiful  
Wo-wo-wonderful wonderful  
And it's killing me  
I'll be there...
