You aint got to worry baby me and you are all alone
Eccept for feelin on you rubbin yo hand bones
The next thing I want you to do is just take control
You aint gotta worray baby we got all night long

Say ooo awww don't you stop babe, ooo aww sweatin

And oo aww imma make you scream ma name callin

Sittin next to the fire place, come close let me lead the
way
And I'll take you threw a journy, it's cool don't rush your
learning
Anythin you wanna do for tonight, if you think it's wrong
baby I'll make it right
It don't matter wat has cause it
We can always go back, rewind, and pause it

Say ooo awww don't you stop babe, ooo aww sweatin

Ooo awww don't you stop girl, imma make you scream
ma name taggiz aint platin games
Ooo aww don't you stop babe, sweatin drippin you got
me wet
And oo aww imma make you scream ma name callin
nichole aint playin games

Come close let me feel like, you want some of me
But take your time, cause I'm gone make you scream
ma name.
Come close let me feel like, you want some of me
But take your time, cause I'm gone make you scream

ma name.

Say ooo awww don't you stop babe, ooo aww sweatin
dripiin I got you wet
Ooo awww don't you stop girl, imma make you scream
ma name taggiz aint platin games
Ooo aww don't you stop babe, sweatin drippin you got
me wet
And oo aww imma make you scream ma name callin
nichole aint playin games

Come close let me feel like, you want some of me
But take your time, cause I'm gone make you scream
ma name.

Say ooo awww don't you stop babe, ooo aww sweatin
dripiin I got you wet
