Dure tumi dariye
Shagorer jole paa bhijiye
Kachey jete pari na
Bolte aaj pari na
Tumi amar ekhono.

Shamne tumi dariye
Karo haat joriye
Haat ta dhorte pari na
Kachey tante pari na
Tomar haate aaj onno kew.

Shagor er pare haat dhore dekhcho
Shurjo doba... ami nei
Ekhono brishti pore tomar majhe
Shei brishtir fota ami noi
Janalar pashe dariye takiye akashe
Shekhane chaand ta nei
Ekhono brishti pore bristi te bheja
Amar pashe tumi neeeeeei.

Shei tumi aaj amar kachey
Amar sriti phiriye dite
Ami aaj kandbona
Hoito du ek phota
Tobu bolbona bhalobashi.

Kono ek chotto mittha
Muchey diyeche shob amar
Amar deya ghor
Shomoi gulo mocheni
Tumi roktato ami oporadhi.

Amar chokher dike takiye dekho kandchi ami oshohai
Tomai hariye jibon ta amar koshter gaane dube hai
Jani phiriye nebar to kono karon nei tomar ei jibone
Tobuo ekhono tumi shotto ekhono amar jibone.
