Oh, yeah
Born no longer just a baby
Always trying to keep
In one place for long
Oh, long enough to sleep

Oh, sleep and dreams are here the same
Gone 'n got no rest
They'll no longer speak to you
Moving on again

Oh, I'm moving on, moving on again
Well, I'm moving moving on again
Baby, you're so cruel

You're cruel to yourself
You never understand
Boy'll never do ya no harm
For you to build the frame
Of the bed you sleep upon

So spill your milk and honey
And get your kicks off your next man
Bigger than you think
And you make him go, go on

Oh, you make him, moving on again
Oh he's moving, moving on again
Baby, you're so cruel

Thought about the dream is so real now
These are dreams of mine you're so aimless
So aimless
You, baby, you're so cruel

Wonder what you're gonna think of yourself
When the phone calls fade away
As you hold his shoulders
Did you think it would come to this day?

Ask yourself why he's off
When others surround you

He was one of many on the day
That he found you

Oh, you're moving, moving on again
Yeah, you're moving, moving on again
Yeah, you're moving, moving on again

Baby, you're so cruel
