Today I woke up and you were gone.
The whole day wondering what I did wrong.
It's like I'm falling from a, a mountain top.
My heart keeps poundin', and it won't stop.
Can you see this?
Hell I'm living.
How I'm not giving up.

Will, you crawl to me?
Will, you fall with me?
I'll, never crawl to you.
I've, done it all for you.

Well dont deny,
The hand that feeds you, needs you.
Oh god I'd die to try to, finally please you.

There goes a piece of me.
Will I cease to be?
I've never lied to you.
Fought, bled and died for you.

Well don't deny,
The hand that takes you, breaks you.
Oh god I'd died to, try to, finally please you.

There she goes; and I'm on the ground, I'm on the
ground, I'm on the...
There she goes; and I'm on the ground, I'm on the
ground, I'm on the...
There she goes; and I'm on the ground, I'm on the
ground, I'm on the...
There she goes; and I'm on the ground, I'm on the
ground, I'm on the...

Well don't deny,
The hand that feeds you, needs you.
Oh god I'd die to, try to, finally please you.

Will, you crawl to me?
Will, you fall with me?

I'll, never crawl to you.
I've, done it all for you.
