I can't seem to find out what I feel  
Burned out dreams of others which I can steal  
Take or leave this way, I seem to you, it eats right  
through you  
Ripped up parts of things I should do  
I'll run around and tell you, screaming

Oh I live a lie, oh I live a lie, oh why even try  
I've been leaving thoughts below  
Still I feel I should know

Still don't see much of me giving in  
Much too strong to live outside of these sins  
Feeling like I'm taken lightly, think you see right  
through me  
Words of those that still despise me  
Think it's eating me, you're dreaming

Oh I live a lie, oh I live a lie, oh why even try  
I've been leaving thoughts below  
Still I feel I should know

When I seem to believe all that I've done wrong  
You can take all that's right, I will still move on  
Taken all I can give, it seems that I don't belong  
Push me further from this, go on

Oh I live a lie, oh I live a lie, oh why even try  
I've been leaving thoughts below  
Still I feel I should know
