Well, I've been to the edge and back again
And I know all there is to know it's a dead end

Late at night I'll come walking by
Just to see what went wrong
Late at night you'll come crawling back
Just to steal a piece of me

I know what the world is made of I've seen it
You don't have all the answers keep dreaming

Late night I'll come walking by
Just to see what went wrong
Late at night you'll come crawling back
Just to steal a piece of me

Late night I'll come walking by
Just to see what went wrong
Late at night you'll come crawling back
Just to steal a piece of me

Lay down now, lay down now, lay down now
Late at night I'll come walking by
