Ive dreamed of this so long
This used to feel so strong

Now I'm away
Wish these thoughts would go away
I hope I dream of you
Cause it's takin' my life away
No I dont Hate
But these thoughts wont go away
I hope I dream of you
Cause it's takin' my life away

Deep down it hides
Making life a crime
I've dreamed of this so long
This used to feel so strong

Now I'm away
Wish these thoughts would go away
I hope I dream of you
Cause it's takin' my life away
No I dont Hate
But these thought wont go away
I hope I dream of you
Cause it's takin' my life away

Deep down it hides

Now I'm away
Wish these thoughts would go away
I hope I dream of you
Cause it's takin' my life away
No I dont care
But these thoughts wont go away
I hope I dream of you
Cause it's takin' my life away
