We've fallen out of grace again  
Could be the beginning of the end  
We stood by and watched the other walk away  
Could not stay  
I can't believe we'd give up so easy

Don't you miss the way we were?  
Don't you wish we made that turn?

What we said was sometimes meant  
Was it worth the breath that we spent  
Even though that  
I don't know how much  
We tried or even why,  
For all it's worth  
It's not what we deserve

Don't you miss the way we were?  
Don't you wish we made that turn?

The best times are far gone  
All that's left is to forget  
Still I seem to hang on  
Pretending it's not over!

Don't you miss the way we were?  
Don't you wish we made that turn?  
Don't you miss the way we were?  
Don't you miss the way we were?
