I got a runaway train
Runnin' through my veins
Come over
I got another one in my bed
And you don't know her

I can't explain
The scratches on my back
All over
Everyting she does for me
Brings me back to you

All the temptations
That I can't refuse
Let my confessions
Take you for a ride

(chorus)
Push it to the edge
The voices in your head
Can't stop this ride
And when the thrill is gone
I can turn it on for you

I'm looking for something
To please her mind
Come over
I got another surprise for you
And you can hold her

Stay the night
You don't have to beg

She told her
Everything you ever wanted
You can help yourself

All the temptations
That I can't refuse
Let my confessions
Take you for a ride

Push it to the edge
The voices in your head
Can't stop this ride
And when the thrill is gone
I can turn it on

(solo)

All the temptations
That I can't refuse
Let my confessions
Take you for a ride

Push it to the edge
The voices in your head
Can't stop this ride
And when the thrill is gone
I can turn it on for you

Can't stop this ride
And when the thrill is gone
I can turn it on for you
