Well I don't want to see you waiting
I've already gone too far away
I still can't keep the day from ending
No more messed up reasons for me to stay

Well this is not for real
Afraid to feel
I just hit the floor
Don't ask for more
I'm wasting my time
I'm wasting my time
You can't stop the feeling
And there's no reason
Let's make the call
And take it all again
Woah again

Months went by with us pretending
When did our light turn from green to red
I took a chance and left you standing
Lost the will to do this once again

Well this is not for real
Afraid to feel
I just hit the floor
Don't ask for more
I'm wasting my time
I'm wasting my time
You can't stop the feeling
And there's no reason
Let's make the call
And take it all
I'm wasting my time
I'm wasting my time again
Woah again

See you waiting
Lonesome, lonely
See you waiting
I see you waiting

Well this is not for real

Afraid to feel
I just hit the floor
Don't ask for more
I'm wasting my time
I'm wasting my time
You can't stop the feeling
And there's no reason
Let's make the call
And take it all
I'm wasting my time
I'm wasting my ...
Well this is not for real
Afraid to feel
I just hit the floor
Don't ask for more
I'm wasting my time
I'm wasting my time
You can't stop the feeling
And there's no reason
Let's make the call
And take it all again
Woah again
