I believe that in time my heart will heal again  
And I believe that in time my heart will feel again  
So I keep on holding on (yeah)  
So I keep on being strong (yeah)

Cause I know one day I'm gonna feel again  
I know one day I'm gonna feel again  
And I know although my heart hurts now  
I'll find a way to get up off the ground  
Cause I know one day I'm gonna feel again

I believe that this heart of mine can make it through  
And I believe that my heart can make it over you  
So I keep on holding on (yeah)  
So I keep on being strong (yeah)

Cause I know one day I'm gonna feel again  
I know one day I'm gonna feel again  
And I know although my heart hurts now  
I'll find a way to get up off the ground  
Cause I know one day I'm gonna feel again

And though it's hard for me to breathe  
And even harder to believe  
I know that one day I'm gonna find  
I'm gonna be just fine

Cause I know one day I'm gonna feel again  
I know one day I'm gonna feel again  
And I know although my heart hurts now  
I'll find a way to get up off the ground  
Cause I know one day I'm gonna feel again
