Should we say go?
Should we say stay?
Do we stand tall?
Or do we fade away?
Do we keep on?
Or Do we fall down?
I won't say goodbye
I won't say that now

I'll keep loving you forever
Because I swore I would
You know my word is good
(X2)

Love you
(Forever and ever love you) x8

Should we say go?
Should we say stay?
Do we stand tall?
Or do we fade away?
Do we keep on?
Or Do we fall down?
I won't say goodbye
I won't say that now

I'll keep loving you forever
Because I swore I would
You know my word is good
(X3)

Love
