Now I know how to get down on the floor
Experience the moves you can't ignore
But something bout this beat just got me hooked
Come over here and take a closer look

Coz I can't get enough, I can't get enough
I can't stay on the ground (woah)
I can't get enough, I can't get enough
This is taking me now

It's taking me higher, higher
Higher off the ground (x2)

I do this just for kicks,
Just for the thrill,
I got this high without taking a pill
This move has got me way over the sun
I'm dancing like I am the only one

Coz I can't get enough, I can't get enough
I can't stay on the ground (woah)
I can't get enough, I can't get enough
This is taking me now

It's taking me higher, higher
Higher off the ground (x2)

The musics got me going higher
I feel like I can touch the sky

It's taking me higher, higher
Higher off the ground (x4)
