On and on
My mind is turning
Feelings wanna fade
My sleep is gone, my eyes are burning
All that I can say

I can't believe the way I treated u
I didn't know how much I needed u
And now I don't know what I'm gonna do
All I know - I'm still learning

And now I'm mad 'cause it's so clear
I didn't see you while you were here
I didn't mean to make you disappear

All I know is I'm Lonely... [3x]
I'm without u girl and now I know what it means to be
Lonely [3x]
I'm without u girl and now I know what it means to be
Lonely
And now I'm sorry girl for leaving u (eh, eh)
I'm sorry...

And in this crowd I can't connect
Because my mind won't leave u
Time to fake a conversation
But all I want to say...

I can't believe the way I treated u
I can't ignore how much I needed u
And now I don't know what I'm gonna do
All I know - I'm still learning

And now I'm mad 'cause it's so clear
I didn't see why u where here
I didn't mean to think u disappear

All I know is I'm
Lonely [3x]
I'm without u girl and now I know what it means to be
Lonely [3x]

I'm without u girl and now I know what it means to be
Lonely
And now I'm sorry girl for leaving u (eh, eh)
I'm sorry girl for leaving u (eh, eh) [3x]
I'm sorry

U know a thousand girls can not replace u
Replace u, yeeah
When u're the only one I wanna talk to

Without u I'm
Lonely [3x]
I'm without u girl and now I know what it means to be
Lonely [3x]
I'm without u girl and now I know what it means to be
Lonely
And now I'm sorry girl for leaving u (eh, eh)
I'm sorry girl for leaving u (eh, eh) [3x]
I'm sorry
