Rainfall

I like to know what's going on,
In this world we're living on
So much poverty all around me,
This is sanity that surrounds me

Distant worlds seem so far away
People's lives changin everyday,
You know

I can hear the rainfall (rainfall)
I can hear the rainfall (rainfall)
Oooh (rainfall)I can hear the rainfall (rainfall)
(Rainfall) I can hear the rainfall (rainfall)

I like to know when, You and I,
Will stop walking and Passing by,
So much ignorance then my eyes see
My Experience cannot blind me

Distance Worlds seem so far from here
Seasons change and the rain is near
Oh No

I can hear the rainfall (Rainfall)Oooh I can hear the
rainfall (Rainfall)
(Rainfall) Can you! Cause I can hear the rainfall
(rainfall)
(Rainfall) Can you! I can hear the rainfall (rainfall)

OOooooh Wooah Oooh, Yeeaaa, Nooooo... Yeeea...
Wooooooo

I Like to find that new reality,
Something more, than this fantasy
No More forced dreams,
No more mind games
I can even see, through this dark plain

Distant worlds seem so far away

People's lives changin everyday,
Ooh

I can hear the rainfall (rainfall)
I can hear the rainfall (rainfall)
Yeeeee (rainfall)I can hear the rainfall
(Rainfall) I can hear the rainfall
Can You! Can You! Can You!
Can You hear the rainfall
