You and ay (4x)

Some ppl say
I shouldn't be
Be with you
Because you
Don't deserve me
They say that I
Shouldn't believe
But they
Don't understand
That baby with you
That every single day
Is brand new
And I
Aint goin' nowhere
I'm staying rite here
It's the rite idea
So rite for my baby

Ay, ay
Always want
To be with you
And I don't want
To change you
Ay, ay
Love
Every little thing
You do
And I don't want
To change you
Ay, ay
Don't ever want
To say goodbye
And I don't want
To change you
As long as you
Don't change your mind
There will always be
You and
Ay, ay, ay, ay, ay
You and

Ay, ay, ay, ay, ay

Girl, you should know
I never leave
I know it's cliché
But the air I breathe
They try to take
They try to suffocate
No I'm not goin'
To stand
There baby with you
Every single day
Is like brand new
And I ain't goin' nowhere
I'm staying right here
It's the right idea
So right for my baby

Ay, ay
Always want
To be with you
And I don't want
To change you
Ay, ay
Love
Every little thing
You do
And I don't want
To change you
Ay ay
Don't ever want
To say goodbye
And I don't want
To change you
As long
As you
Don't change
Your mind
There will always be
You and
Ay, ay, ay, ay, ay
You and
Ay, ay, ay, ay, ay

Your looking worried ma
But don't you worry ma
That thing we got
Is as strong as a rock
Lonely nights
We've been through it
Fights

We've been through it
So how you gone think
This time
They gone do it
Nah they hating on us
Yes they know
That were a team
Like your juice
And I'm gin
Like you rock
And I lean
Yea
They want to do
It do it
The way
We do it do it
But they can't
Do it, do it
The way
We do it, do it

Ay, ay
Always want
To be with you baby
And I don't want
To change you
Ay, ay
No matter they say
No matter wat they do
I don't want
To change you
(They don't want
To change)
Ay, ay
Don't ever want
To say goodbye
And I don't want
To change you
As long as you
Don't change
Your mind
There will always be
You and
Ay, ay, ay, ay, ay
You and
Ay, ay, ay, ay, ay

You and
Ay, ay, ay, ay, ay
Hey
As long as you

Don't change
Your mind
There will always be
You
And ay, ay, ay
You
And ay, ay, ay
(Baby, girl)
You
And ay, ay, ay
You
And ay, ay, ay
