Com'on Girl, Com'on Girl, Com'on Girl, Hey!
Com'on Girl, Com'on Girl, Com'on Girl, Hey!

Baby Girl, you know that I just want to take you to the spot,
Do things to you that are definitely gone get ya hot,
I love how ya shake that little booty around the club,
I just wanna turn you and me into an US!
Homie wanna party but you know nobody else can DO!
We can do whatever, keep it public or if YOU!
Wanna keep it private and undercover thats COOL!
I just wanna stay under the covers with YOU!

Now I know that you want it,
You've indicated,
It's obvious I need you,
Just make a decision,
'Bout what i gotta say,
Tell me what I gotta say,
Tell me what I gotta say,
To take you away with me,
To take you away with me,
To take you away with me,
To take you away with me,

Just make a decision,
'Bout what i'm gonna say,
