I came to eat eat eat eat
I'll start my lunch off with the meat meat meat meat
I've got a broccoli just to greet greet greet greet
Oh great my food just met my feet feet feet feet
Yeah yeah
cause I eat on and on and on
and And theres another bon bon
Vomit

I throw my sandwhich in the air sometimes
Sayin' ayo
Wheres my mayo
I wanna celebrate and eat my lunch
Sayin' ayo
Eat potatoes
Cause we go rock this lunch
We can eat all night
We go barf this up
Like it's Ecoli
Now I eat you once
Now I eat you twice
I go barf you up
Like you're Ecoli
