To the maker of this house
The holder of the key
I gave you my heart
But held some back for me
Someday I would give You
Everything I am
But I stole my road to freedom
I took the key and ran
Disconnected
With my hands over my ears
You said You would meet me
If I'd reach out
I got a free will
I'm gonna use it
I got a free will
Yes, I do
I got a free will
I'm gonna use it
I got a free will
Yes, I do
Thank You for this gift
It's still a mystery
My freedom in Your hands
Is how it's meant to be
It's only when I give You
Everything I am
Bittersweet surrender
Take me
I've got a free will
I'm gonna use it
I got a free will
Yes, I do
I got a free will
I'm gonna choose it
I got a free will
Yes, I do
Something ain't right
You gotta let it go
Something ain't right
You gotta let it go
I'm gonna make it right

I'm letting go
And it's up to me
I got a free will
I got a free will
I got a free will
I'm gonna use it
I got a free will
Yes, I do
I got a free will
And I've got to lose it
So I give my free will
Back to You
Yes, I do
The Son has set me free
And I am free indeed
