the first day we met girl it was so beautiful  
and i told to you 'cause you were there oh no  
it was obvious our feeling was mutual  
i should told you babe but i just didn't know  
ut then you tried to owe me  
too many times you told me  
but now i guess i'm afraid i'ma have to leave you lonely  
and i know that i want you  
and i know that i need you  
oh baby

try to understand that it's hard for me  
'cause i'm so confused  
i am making bets i can take you on it's too soon  
i can make you .. so i can ask you to stay  
though i want you too  
it's hard to give my heart away to you

i don't mean to blame all my past history  
see the someone way back  
see you try to owe me  
too many times you called me  
and that is why i'm afraid i might have to leave you  
lonely  
and i know that i want you and i know that i need you

try to understand that it's hard for me  
'cause i'm so confused  
i am making bets i can take you on it's too soon  
i can make you .. so i can ask you to stay  
though i want you too  
it's hard to give my heart away to you

see you try to owe me  
too many times you called me  
and that is why i'm afraid i might have to leave you  
lonely  
and i know that i want you and i know that i need you

try to understand that it's hard for me  
'cause i'm so confused  
i am making bets i can take you on it's too soon

i can make you .. so i can ask you to stay  
though i want you too  
it's hard to give my heart away to you

try to understand that it's hard for me  
'cause i'm so confused  
i am making bets i cna take you on it's too soon  
i can make you .. so i can ask you to stay  
though i want you too  
it's hard to give my heart away to you
