I believe, I believe in who You are
And when You speak, I hear You deep inside my heart
It's more of You I want, so take me back
To the start show me the bigger part
I know there's so much more to life
So won't You open up my eyes, I want to see

And I, I'm falling on my face
I'm holding out for Grace, send Your Spirit down
Illuminate this place
My Lord

My Love, my peace, without You, I'm incomplete
And in my time of need, I know You're watching over
me
And I can't wait to lose myself in Your embrace,
You're my hiding place (my hiding place)
I know there's so much more to life
So won't You meet me here tonight
I want to see

Ooooho, In my mind
There's a battle going on and on for my life
But this time I'm gonna give You everything I have
inside
OOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

And I, I'm falling on my face
I'm holding out for Grace, send Your Spirit down
Illuminate this place
Let Your kingdom come
Heal the broken ones
O Father shine Your light on Your daughters and Your
sons

Oh my Lord,

O God our God how beautiful You are
O God our God how beautiful You are
God our God You're beautiful so beautiful...
