Now I feel that this heart of mine
Has taken many falls
Still sometimes the rain
Can turn into a waterfall

And the prettiest things
Can come out of the coldest night
And even with broken wings
Sometimes you find your way to fly
Yes, I can be

Bigger, bigger, stronger, stronger
Harder, harder, yes, I can be
Bigger, bigger, stronger, stronger
Harder, harder, yes, I can be

Now I feel that this soul of mine
Has had its many tolls
Still sometimes this pain
Is what we need for us to grow

So when it's time for me
To look into my deeper side
I will, I will find a way
To hold onto the love inside
Yes, I can be

Bigger, bigger, stronger, stronger
Harder, harder, yes, I can be
Bigger, bigger, stronger, stronger
Harder, harder, yes, I can be

Bigger, bigger, stronger, stronger
Harder, harder, yes, I can be
Bigger, bigger, stronger, stronger
Harder, harder, yes, I can be

See I can be anything I wanna be
All I have to do is put my mind to it
And I can do it, so what I want you to do
Is put your fist in the sky
And say it with me, I can be

Bigger, bigger, stronger, stronger
Harder, harder, yes, I can be
Bigger, bigger, stronger, stronger
Harder, harder, yes I can be

Bigger, bigger, stronger, stronger
Harder, harder, yes, I can be
Bigger, bigger, stronger, stronger
Harder, harder, yes, I can be
